USAF       USMC

USPHS       USCG

NOAA

**Component**

Regular

Reserve

National Guard

**•INFORMATION:** Membership in MOAA nationally and in the local chapter is available to active, retired and Reserve Officers and Warrant Officers from the seven uniformed services, inclusive of the National Guard. Members include active duty members, those who have held officer rank in the past, retired members and their widows and widowers. If you are unsure, you would typically have one of the following: Recent LES for active duty, report of separation (DD214) for retired or separated officers, or copy of both sides of military ID Card. For Reserve & National Guard retirees, you might also have a retired pay order or letter of transfer to retired reserve status. If still unsure, please contact us to assist. Additionally, if you have a MOAA number, you have already been reviewed and approved by the national organization for membership; you must be a member of national MOAA to remain a chapter member.

Membership eligibility acknowledgement
